

The two were on top of the platform high up, waiting for their turn. "You can see the whole park from up here," Shinji said. "Yeah, isn't it amazing?" Asuka replied. Shinji nodded. "Okay, who's next?", asked the attendant. "ME!", replied Asuka jumping up and down as if she had to go to the bathroom. Shinji just looked at her as if she was possessed. The attendant secured the cord around Asuka "You're set. You can jump whenever you are ready." Asuka nodded as she took off over the side. "OH SHIT!!" screamed Asuka as she went over the edge. A sudden thought went over Shinji as well at the exact same moment. *Oh shit!! She's wearing that yellow dress!* Shinji blushed as he looked over the side and noticed his friend with her dress practically up to her head as she frantically tried to pull it back down. *tee-hee, I knew you'd look Shinji* A crowd had gather around at the bottom once they seen the beautiful red-head flying through the air with her skirt raised up, leaving hardly anything to the imagination. A chorus of "oohs" and "ahhs" were heard around the bottom, till a unified "awww damn" was said by everyone when Asuka came to a halt. Shinji watched this the whole time. He was part in awe at how easy Asuka jumped over the edge. He was embarassed by the crowd that formed around looking at his friend. But most of all, he fount himself stunned by the beauty of seeing his friend flying through the air, half-naked. "Umm, you're up bud, though I doubt you'll be able to top that!" said the attendant with a huge grin. "I won't even try," replied shinji with an equal grin as he took the plunge over. Asuka watched as Shinji went over and flew through the air. *Wow, he's going great, look at him. I am so proud of him. I'm glad he came along with me today. Now I can tell him how I feel* "Go Shinji!!", cheered Asuka. After Shinji finished his jump, he ran over to Asuka. "Wow Asuka, that was some jump you did." "You liked it?", Shinji nodded "ahh!" Asuka squealed in a high pitch voice, "My Shin-chan is so naughty watching me jump over the side like that!" Shinji turned red again. Asuka just giggled. "C'mon silly. What's next??" Shinji grinned an evil grin on the inside of him. *She never could stand those!* Shinji thought as he pointed outward. Now it was Asuka's time to turn pale. "Ummm, Shinji....I don't know about that." She said as she looked over at the huge roller coaster. "Oh c'mon Asuka, where's that bravery now??" "FUCK YOU, SHINJI!" Shinji just shrugged his shoulders, "maybe" he said. Asuka turned bright red. Now it was Shinji's turn to giggle. "Wha-wha-what, are you laughing at??" Asuka said nervously. "Nice try Asuka, but you're not THAT innocent," "Oh bite me," Asuka said throwing her shoulders up. Shinji laughed out loud. "You keep digger yourself into a bigger hole!" Asuka smiled brightly. It was one of the few times where she heard Shinji laugh like that. It warmed her heart. After all the turmoil of that past few months, it was good to hear him laugh like that again.

They each took their seats near the front. Asuka put her head on Shinji's shoulder. "Shinji, Im not so sure about this. These things and I don't mix." "Its okay Asuka," Shinji said, in a calm and soothing voice, "Im right here with you" as he put his arm around her. Asuka felt like she could melt in his arms right there. That was until....

"HERE WE GO PEOPLE!", screamed the attendant. "Oh damn!" was all Asuka could say as they went high, up into the sky. *Piloting an EVA was never this scary!* Shinji was caught up in the excitement of the moment to notice that Asuka was trembling in fear. As they reached the top of the hill, Asuka noticed there was a sharp downward hill followed by several twists and turns. Asuka felt her stomach go into knots. *Just great, now I'm gonna get sick, if I do this day will be ruined!* As they went over the hill, everyone started to scream. Asuka threw her hands into the air to grab onto anything she could. As she brought them back down she grabbed onto Shinji's crotch, not even meaning to. Shinji nearly jumped out of the cart when he felt Asuka's hand touch his member. He looked over to see his friend's mixed emotions: part scared, part embarassed, but very aroused. *Damn, he's big!* thought Asuka. *ooh. damn stomach* The ride lasted about 10 mins, afterwards, Shinji helped Asuka to the ladies room where she proceeded to hack up most of the morning's lunch. As she walked back to the main walkway, Shinji asked "Are you okay Asuka?" "Yeah, I will be. I knew I shouldn't have got on that damn ride." Shinji frowned. "Its my fault Asuka, I shouldn't have made you ride the coaster." Asuka shook her head, "No Shinji, its okay. It wasnt your fault." Asuka looked down and noticed a stain on her dress. She sighed. "Great, and I got a stain on my good dress!" "C'mon Asuka, let's go home and get you cleaned up." *Cleaned up?? Hmm...maybe this day isn't totally shot* thought Asuka.

Shinji was in his bedroom while Asuka was taking a shower.*It was good to go out with Asuka today* Thought Shinji while he laid in bed. *Even though she got sick, I had a great time* Then Shinji thought about seeing Asuka dive off the board at the Bungie jumping ride and when she grabbed his crotch during the rollar coaster ride. He got turned on by this.*Why am I thinking about this?*

Thought Shinji. *Asuka would KILL me if she knew I thought these kinds of things about her*

Meanwhile, Asuka was in the shower, her thoughts racing through her head. *Damn he has a big dick!* she giggled slightly and noticed her nipples we're getting hard just thinking about it. She blushed slightly. *I never thought I'd be thinking about fucking Shinji Ikari. Of course I always believed that he would have ended up with Wondergirl. He seemed to like her more anyways* Asuka started to frown *Espically after all the torment I put him through...* Asuka sighed,*Well, Im gonna make up for all of that, starting now!* She said as she got out of the shower and put a towel around her.

Shinji was gazing out the open window, getting ready to listen to his SDAT player, when he heard a knock on his door. "Shin-chan?", Asuka said, "Come in,Asuka" Shinji said. Shinji's jaw nearly dropped to the floor when he seen his beautiful friend/roommate enter his bedroom dripping wet wearing nothing but a towel and a smile. "As...Asuka! What in the hell are you doing!?" "I wanted to thank you for a great time today," Asuka said in a soft and sensual manner. "There was so much I wanted to say to you today, I wanted today to be perfect, but I got sick and screwed it up." "Its okay Asuka, " Shinji said, "You can tell me now what you wanted to say," Asuka nodded as she took off her towel. Shinji's eyes nearly popped out of his skull. There stood his friend and soon to be lover in front of him, fully naked. He noticed her red hair dancing in the wind, her soft breasts that were very much overdeveloped for a 14 year old, not that Shinji would be minding in the least. His eyes traveled her slender and curvy body. He took a glance down to her freshly shaven mound and his mouth watered and his dick got hard in anticipation. He shook his head to snap out of it, "Well, do you like what you see?" Asuka asked her friend. All Shinji could do was nod his head for he was still in awe at this friend. Asuka giggled when she noticed how hard Shinji had become. "You're definately not the little boy Misato thought you were!" "WHAT!?" Shinji blurted out. "hehe...you're so cute," Asuka said as she climed onto the bed with Shinji. "Just relax, I'm gonna give you a good time," she said as she unbuttoned Shinji's shirt. As she took off his shirt she realized that he even though he wasn't muscular, he sure wasn't skin and bones either. Asuka gave Shinji a warm kiss on the mouth as she rubbed his chest. The sensation felt good to Shinji. He never felt this good in his entire life. His life up until that point was full of pain and suffering, but now his friend, no his lover, was opening him up to new experiences. Asuka went to unbutton Shinji's pants and slide them off of him, Shinji raised up to help Asuka accomplish this. Then she went to remove his boxers. Now both were naked in the bed together. Asuka raised back up to give Shinji a longer, deeper kiss. She used her tongue to open his mouth so she could taste him. Their tongues met and flickered around each other, tasting each other, feeling each other's breath. The kiss seem to go on forever, finally Asuka came up for breath. Shinji took a deep breath. "Wow..." was all he could manage. "You haven't seen nothing yet.", claimed Asuka as she went down Shinji's chest and stomach, giving him short kisses all the way down all over his body. Each kiss sent wave after wave of sensations to Shinji, each one felt better than the last. Asuka then reached Shinji's long member. She put her hands around it and started to slowly pump it up and down Shinji let out a loud moan as she was doing this. "Does that feel good, Shin-chan?", Asuka asked in a teased voice..."mmmm...y..yes....mmmm" was all Shinji could let out. Asuka giggled, "Well in that case, you haven't seen nothing yet!" With that she started licking the huge member with her tongue slowly licking it up and down, and around the head in a circular motion, flicking the top of it with her tongue. *I wonder if I can get it all* Asuka thought as she took his huge dick in her mouth. *Mmm...GOD, just barely, the boy is HUGE!* Asuka wrapped her mouth around Shinji's dick and started moving her head up and down pumping it with her mouth. Shinji was in ecstasy. He had never felt this way in his entire life and didn't want it to end. Asuka starting pumping faster, and Shinji let out a bigger moan, "mmm...Oh god Asuka, that feels so damn GOOD!...mmm", Just then Asuka raised her head up. Shinji looked down. "Why did you stop?", he asked. "Silly boy, I don't want you to come yet.", she winked. "I want us to come together." Shinji nodded as he went to work on Asuka. He raised his head up to her left breast and started sucking on it while using his fingers to play with her right. *Asuka has big breasts, but they're just big enough to where I can fit most of it into my mouth* thought Shinji. He worked his tongue around her nipple, flicking it quickly, while rubbing the nipple on the right breast with his thumb and forefinger. Asuka squealed in delight. Asuka also was feeling these sensations for the first time. Like Shinji, her past was full of hurt and sorrow, but now all of that was cleared with the heat of the moment. Shinji raised up and turned over to let Asuka lay flat on the bed as he continued to work both breasts this time sucking on the right one while playing with the left. Shinji then raised back up to give Asuka a deep long kiss on the mouth, this time not holding anything back. While he kissed her in ran his

hands through her hair, feeling each and every strand as it passed through his fingers. He then raised up and slowly made his way down her body to her mound. This time he got a real good view of what he seen earlier. Indeed, it was cleanly shaven with care. Shinji wondered if she shaved it all the time, or if she shaved it for this one special occasion. Shinji started to slowly work his tongue over Asuka's mound as she moaned and squirmed in pleasure. Her breath was getting harder as she was trying to hold everything back. Shinji then decided to use his two forefingers to pull the lips apart to notice a nice wet pussy. Shinji started to put his tongue on the inside and work it around. He then made his way up to the clitoris and started flicking his tongue on it and sucking on it. Asuka yelled in pleasure. "Oh god, stick it me Shinji!" Shinji just smiled at his lover as he raised up and reached for a condom he kept in his dresser drawer. Asuka glanced at it and asked, "Were you expecting on using that on someone besides me?", Shinji laughed "of course not, Misato gave it to me a long time ago during a party we had...don't ask!" Asuka giggled. Shinji put the condom on, then he positioned himself to enter Asuka. As Shinji's member entered inside of Asuka, wave after wave of pleasure entered Asuka's body. Asuka was in heaven, in pure bliss, she never thought of anything that could make her feel this way. Shinji, too, was in heaven. Had anyone told him six months ago that he would be fucking Asuka, he would have laughed in their face. Still, here he was pumping away at the beautiful Asuka, still in half awe and disbelief. Shinji lowered his head down to Asuka and gave her a long, passionate kiss, as he continued to thrust himself in and out of her. Shortly after, they both reached their climax together. They both laid in bed for awhile afterwards, arms around each other. Shinji lightly kissed Asuka on the forehead. "Oh, Asuka...what was it that you wanted to tell me?" "Shinji, I love you with all my heart," Asuka said with a tear forming in her eye, "I love you too Asuka," Shinji replied back.
